THE JEWISH FEDERATION OF GREATER PITTSBURGH PRESENTS THE CENTENNIAL YEAR ANNUAL REPORT

CHAIR OF THE BOARD LOUIS B. PLUNG PRESIDENT/CEO JEFFREY H. FINKELSTEIN

234 MCKEE PLACE, PITTSBURGH PA 15213 | 412.681.8000 WWW.JFEDPGH.ORG

The Vision of the Jewish Federation of Greater Pittsburgh is to have a thriving, vibrant, and engaged Jewish Community. In order to accomplish this we raise and allocate funds and build community locally, in Israel, and around the world.

The Jewish Federation of Greater Pittsburgh will be able to provide the most benefit to our community only if we are true to the following core values:

1. We are guided by the teachings of Torah including: tikkun olam (repairing the world), tzedakah (justice), chesed (kindness) and k'lal Yisrael (peoplehood).
2. We aim to sustain and meaningfully grow Jewish identity, leadership and involvement in our community.
3. Our work will be carried out within the context of cooperation and inclusiveness.
4. We recognize the importance of working in concert with others.
5. We recognize the human dignity of every individual in the community.
6. We care about building a strong community with purpose and involvement.
7. We will establish priorities to accomplish our vision and mission.
8. We value the beliefs and opinions of all members of our community.

REPORT

FROM LOUIS B. PLUNG AND JEFFREY H. FINKELSTEIN

This Annual Report is about you.

It's about your accomplishments, your generosity, and your commitment to this Jewish community.

You, as a community, did more than any one donor could do alone.

Through the power of community and collective responsibility, you built upon 100 years of tradition and service to Jewish Pittsburgh. You donated an awe-inspiring \$34.5 million to the Jewish Federation of Greater Pittsburgh, including an unprecedented \$13 million to the Centennial Year Annual Campaign for human services and nurturing Jewish community and more than \$17 million to the Jewish Community Foundation for a vibrant and dynamic future.

Further, the Centennial Fund for a Jewish Future, an ambitious campaign built so that our Jewish community will be in capable hands as our young adults emerge into strong leaders, is up to \$17.5 million, well on its way to ensuring ongoing support for a range of high-quality programs that advance vital aspects of Jewish life.

You are heroes to countless people and have punctuated their countless stories.

You traveled with 290 of your friends and family to Israel in the largest community mission to date. You toasted our joint accomplishments at the Centennial Gala, reviewed our storied history through the Centennial History Exhibit, and partied on Yom Ha'atzmaut, Israel Independence Day, at JFest.

And while celebrating the Federation's 100th birthday, you never lost sight of what truly matters: the people you help.

You recognized the need to focus on Jewish identity. You continued fostering cutting-edge collaborations like the Pittsburgh Jewish Day School Council, which received national recognition for its Free Day School Tuition initiative that offers a year of free tuition for students transferring from public or private school - and resulted in 11 new day school students this past school year.

You helped launch a newsletter, *Connections*, with the mission of encouraging, supporting, and recognizing the inclusion of individuals with disabilities in all aspects of Jewish life in the Pittsburgh community.

You built up the Jewish Early Childhood Excellence Initiative (JECEI) and have given

our preschools the systemic support to make quality Jewish education and engagement opportunities available across all spectrums of the community.

And you have helped innovate, creating a new program called Onward Israel that provides young adults a meaningful Israel experience by placing them in summer internships that provide valuable, resume-building work or community service alongside a learning program that teaches Jewish identity, communal activism, and an appreciation for Jewish Peoplehood.

These accomplishments could not have happened without you and our partners like the Jewish Healthcare Foundation, whose \$900,000 grant toward health and human services helps facilitate a complete continuum of care for everyone in our community in need.

You continue to ensure that the programs, institutions, and values that enrich our Jewish community remain vibrant and strong. From feeding the hungry to helping the unemployed, from supporting families with special needs to funding quality Jewish education and Israel experiences, you have remained focused on addressing the most pressing issues facing our community every day.

Our community's story is one of inspiration and fortitude. On behalf of the people whose lives are better because of you, we close the Centennial Year with a heartfelt and sincere Thank You.

THE COMMUNITY WE SERVE

By working with a broad cross section of community members to raise and distribute funds, we ensure that the programs and institutions that enrich our Jewish community remain vibrant and strong. The Jewish Federation is the largest Jewish grant-making organization in our community, helping people at home, in Israel, and around the world. The Annual Campaign embodies the values and traditions of our Jewish community. It says that we – as a community – address critical, often life-threatening issues today and into the future.

Federation fundraising addresses the following priorities:

Aging and Human Needs

As a result of AgeWell Pittsburgh, our community's effort to keep older adults independent, thousands of seniors are less likely to go to the hospital or nursing home in the coming year.

Strengthening Jewish Community

Four out of five kids report increased Jewish knowledge and identity after attending Jewish summer camp. Nearly 300 area children have received \$1,000 grants to go to Jewish overnight camp for the first time.

Israel & World Jewry

One in four Israelis live in poverty. Through programs like Leket Israel, which distributes excess produce from fields and orchards to low-income families free of charge, we're hard at work meeting the needs of the impoverished.

Jewish Learning

The nationally-recognized Pittsburgh Jewish Day School Council has fostered groundbreaking collaboration between Pittsburgh's three day schools so that quality Jewish educational opportunities remain accessible and affordable.

HIGHLIGHTS

FINANCIAL RESOURCE DEVELOPMENT

Operating under a holistic approach to fundraising – the Center for Jewish Philanthropy model – the Federation met vital social service, health, and educational needs by allocating funding provided through the Centennial Year Annual Campaign, the Jewish Community Foundation, government relations, supplemental gifts, corporate gifts, and the Jewish Healthcare Foundation. Overall, \$34.5 million was donated to the Jewish Federation of Greater Pittsburgh this year, an inspirational accomplishment to care for those in need.

The Annual Campaign raised more than \$13 million, the highest ever in our history. The Campaign welcomed one new Prime Ministers Society-level donor (\$100,000), five new King David Society-level donors (\$25,000), and 19 new President's Division donors (\$10,000).

Pittsburgh added four new members – bringing our total to 11 – to the Jewish Federations of North America's National Young Leadership Cabinet. These donors – ages 30-45 – give a minimum of \$5,000 per year to the Annual Campaign during their six-year posts. NYLC alumni are among the top leadership of the Pittsburgh Federation and are trained to be the leaders of, not only the Federation, but the Jewish community as a whole.

The Foundation raised more than \$17.8 million this year and currently stands at more than \$150 million in total assets in 943 endowment funds.

The Foundation's Centennial Fund for a Jewish Future – which works to transform our community into one in which learning, participation, and strong identity is the rule rather than the exception – exceeded \$17.5 million. With its strategic focus on Israel experiences for youth, Jewish education and Jewish camping – the three areas shown to have the greatest and most enduring impact on building Jewish identity – CFJF has already made an enormous impact on hundreds of local individuals and families.

More than \$4.1 million was raised this year through the government relations department – including more than \$3 million through the Pennsylvania Educational Improvement Tax Credit (EITC) program that funded needs-based scholarships to children attending local Jewish pre-kindergarten programs and day schools.

Some 600 people attended Shalom Pittsburgh-sponsored events during 2011-2012, at least 250 of them new to the Federation. Shalom Pittsburgh, the outreach arm of the Young Adult Division, collaborated with several community organizations on the Apples & Honey Fall Festival, which attracted more than 200 people for an afternoon of shofar making, crafts, apple and honey tastings, candle making, and more. The largest event of the year, the annual Vodka and Latke party, was the most successful Chanukah party to date, attracting over 300 people. And more than 85 people attended the annual Spring Party.

COMMUNITY BUILDING

The Federation has a 100-year history of investing in Jewish communal needs across Pittsburgh. By providing essential operating funding, leading community-wide planning efforts, fostering partnerships, and supporting best business practices, the Federation works to ensure that a network of high-quality agencies and programs are in place to meet the challenging and changing needs of the greater Pittsburgh community.

Below are some highlights of the many ways the Federation made a difference in the last year.

SHARPENING MINDS AND BODIES

AgeWell Pittsburgh's new *Brain Builders Coaching Program* is helping local seniors address memory loss and maintain a healthy lifestyle through socialization, physical exercise, and exercises that stimulate the brain. The innovative program helps seniors maintain their brain health by establishing a plan of cognitively stimulating activities consisting of a mix of classes, activities and events at various locations throughout the community. A partnership between Jewish Family & Children's Service and the Jewish Community Center, this unique program was expanded and re-launched this past year with donor support secured through the Federation's Center for Jewish Philanthropy.

HELPING SENIORS STAY INDEPENDENT

The Jewish Association on Aging has launched a *Care Navigator* program to assist older adults as they move throughout the spectrum of senior services. The goal is to help those who have recently been discharged from the hospital get the care they

need in the community, so they do not have to go back to the hospital. This new program was made possible with donor support secured through the Federation's Center for Jewish Philanthropy.

A NEW SPECIAL-NEEDS CAMP COMES TO PITTSBURGH

Jewish Family & Children's Service launched a new camp for kids with mild to moderate social and emotional challenges. The seven-week program provides 6- to 18-year-olds with a supportive environment to help them learn skills to succeed in school and in life. This partnership with Quest Therapeutic Camps represents the kind of innovative partnership that allows our social service agencies to continue to grow and meet new needs despite a very challenging funding environment.

FIRST BOOKS ARE JEWISH BOOKS

This year, Pittsburgh's *PJ Library*, the acclaimed Jewish children's book gifting program, received its 1,000th subscriber, 18-month-old Rafael. PJ Library sends out high quality, age appropriate Jewish children's books every month to participating families in communities across North America. These books help families explore the timeless core values of Judaism and transmit these values to a new generation. In celebration of its 1,000th subscriber, Rafael was presented with a certificate at the monthly PJ Library Storytime.

YOUNG ADULTS TRAVEL TO ISRAEL IN RECORD NUMBERS

This year, the Federation helped send a record number of teens and young adults to Israel. This amazing growth in Israel travel was made possible in part through the Centennial Mega Mission to Israel, a significant increase in the number of needs-based scholarships made available through Federation, and a new pilot program with the Jewish Agency for Israel aimed at young adults. This program, *Onward Israel*, offers resume building opportunities - internships, service learning, academic study, and fellowships - providing a global, cross-cultural experience in Israel and direct contact with Israeli peers.

DILLER TEENS MAKING A DIFFERENCE

The Diller Teen Leadership Program engaged 20 local teens and 20 Israeli teens from our Partnership2Gether city and region in Israel, Karmiel and Misgav, in a year-long program that includes community service, leadership training, and two cultural exchanges. This year, for the second time, Pittsburgh teens led a model

Passover seder for residents of Riverview Towers during a visit from the Israeli teens. Diller teens spend the year exploring the Diller core values of excellence, pluralism, responsibility, partnership, and Peoplehood.

As part of our mission to build a vibrant, thriving community, the Federation engaged thousands of individuals from a wide range of backgrounds through a wealth of Federation-sponsored and Federation-funded programs.

THE HOLOCAUST CENTER OF PITTSBURGH

The Holocaust Center reached nearly 40,000 people through the exhibit "BESA: Albanian Muslims Who Saved Jews." At the annual *Kristallnacht* commemoration, the Center explored the rarely-told stories of Muslims in North Africa who rescued Jews during WWII. And a thousand middle and high school students from schools as far away as Latrobe participated in the Center's annual Arts and Writing Seminar while hundreds entered its Arts and Writing Competition.

PARTNERSHIP2GETHER

Thanks to an extensive renewal process, connections between Pittsburgh's Jewish Community and its partner region in Israel - Karmiel and Misgav - are stronger than ever. Last year, 290 people from Pittsburgh celebrated this relationship with events and exchanges over three days of the Centennial Mega Mission to Israel. These strong ties also contributed to the Pittsburgh Ballet Theatre's participation in the 25th Annual Karmiel Dance Festival, which marked the PBT's first international trip in nearly 20 years.

JFILM: THE PITTSBURGH JEWISH FILM FORUM

JFilm presents movies and guest artists from around the world on a year-round schedule for the purpose of exploring and celebrating Jewish culture. Over 7,000 people attended JFilm events, including its 19th annual Film Festival this spring, where 20 films from eight countries were screened. Teen Screen, a program that offers free screenings of Holocaust films to middle and high-school classes, attracted over 3,800 students and teachers from 45 schools to watch these compelling films and share their impressions afterward. JFilm also presented the first Robinson International Short Film Competition honoring independent filmmakers and the memory of Sanford N. Robinson, Sr. Entries were received from all over the world and three directors were awarded \$16,000 in cash prizes.

JFEST

The Federation converted its annual Israel Independence Day event into an enhanced mega-festival. *JFest - A Celebration of Israel Independence Day and the Jewish Community* hosted a range of diverse programs, ranging from a petting zoo to an Israeli art gallery featuring the work of 15 distinguished Israeli artists, from a simulated archaeological dig to performances by the Pittsburgh Ballet Theatre and the Spirit of Israel Teen Delegation, a group of 10 high school students from our Partnership2Gether region of Karmiel and Misgav.

COMMUNITY RELATIONS COUNCIL

The Community Relations Council celebrated the release of kidnapped Israeli soldier Gilad Shalit, having collaborated with City Councilman Doug Shields to have Gilad proclaimed an Honorary Citizen of Pittsburgh. The Council heard from several renowned scholars, including Dan Ben-David, Director of the Taub Center for Social Policy Studies in Israel, and William Daroff, Vice President for Public Policy of the Jewish Federations of North America. Further, the CRC's strategic work was noteworthy, as the Presbyterian Church USA General Assembly rejected a proposal to divest from three companies whose products are used in Israel.

CLASSROOMS WITHOUT BORDERS

Through Classrooms Without Borders, teachers from schools ranging from Sewickley Academy and Ellis to Yeshiva Schools and the University of Pittsburgh traveled to learn of the recent history and atrocities endured by the Jewish people in Poland and Germany, and explore Jewish renewal in Israel. Additionally, a teen service trip has become part of the Shadyside, Sewickley, and Ellis spring vacation curriculums.

CENTENNIAL YEAR

A hundred years ago, our parents and grandparents faced the critical challenges of caring for people in need and nurturing Jewish identity. In 1912, they founded the Federation of Jewish Philanthropies and planted the seeds to help Jewish Pittsburgh grow. A hundred years later, in 2012, we celebrated their hard work, dedication, and prophetic forethought. The values that they instilled in us - compassion, responsibility, charity, and generosity - inspire and push us to improve the quality of life for people in Pittsburgh, in Israel, and in Jewish communities in more than 70 countries around the world. During our Centennial Year, we honored our past. And celebrated our future.

CENTENNIAL MEGA MISSION

From June 19-28, 290 Pittsburghers celebrated the Federation's 100th birthday on the Centennial Mega Mission to Israel. Over the course of the trip, participants reconnected to their Jewish heritage and gained a sense of understanding as to how our community extends far beyond the borders of our city; participants celebrated our beautiful culture and history, and saw firsthand some of the amazing Federation-funded programs touching lives in the Jewish homeland.

Highlights included:

- Meeting Israelis from Karmiel and Misgav, our Partnership2Gether city and region, and learning about the amazing similarities of our Jewish communities
- Standing atop Mt. Arbel, looking down upon Israel's Galilee and reciting the shehecheyanu prayer, commemorating this once-in-a-lifetime opportunity
- Celebrating with the 11 b'nei mitzvah as they read from the Torah in Jerusalem
- Dancing with Israeli soldiers at an army base to tunes belted out by Ainat Serouf, an Israeli pop singer
- Standing on the mountain of Masada, the site where a band of Jewish rebels made their last stand against Roman oppressors who had destroyed the Holy Temple and sought to destroy the Jewish spirit by denying religious freedom

HONOR ROLL

Whoever saves a life, it is considered as if he saved an entire world.
- Talmud

The Centennial Year Annual Campaign raised a record \$13 million to support programs and institutions that enrich Jewish life here, in Israel, and around the world.

Because of the outpouring of support from this amazing, one-in-a-million community, people in need have received the help they deserve, and our Jewish community will continue to be nurtured and sustained today and for future generations.

YOU HAVE MADE A WORLD OF DIFFERENCE.

THE JEWISH COMMUNITY FOUNDATION

The Jewish Community Foundation helps donors give back to our community by establishing philanthropic funds, endowments, trusts, and bequests that address our most pressing needs, enrich our culture, and strengthen our community.

The Foundation currently manages more than \$150 million in assets, which encompasses some 943 funds and reflects more than \$17 million in new money donated during 2011-2012.

UNRESTRICTED ENDOWMENT

Each year, the Foundation's unrestricted endowment funds a number of programs and services. The following are some of the programs this year:

The Congregational School Improvement Initiative is a cutting-edge national program administered by the Agency for Jewish Learning that strives to change synagogue education with comprehensive investments in assessment, curriculum development, and family engagement. Participating synagogues include:

- Beth Samuel Jewish Center
- Congregation Beth Shalom
- Rodef Shalom Congregation
- Temple David
- Temple Emanuel of South Hills
- Temple Sinai

A charitable grant to the **Jewish Assistance Fund** provided critical funds to families in need of food, clothing, shelter, and medical and educational resources.

AgeWell Pittsburgh Collaboration is a one-stop resource that links older adults, their family members, friends, and caregivers to solutions for issues relating to aging.

The Pittsburgh Jewish Day School Council facilitates collaboration among our three day schools to share resources including a new database system and to envision and implement a technology plan for all three schools.

DONOR DIRECTED FUNDS

This important work is what makes the Foundation the "Jewish Community Foundation." By attaching your name or the name of a loved one to an endowment you've created, you are preserving your family's legacy in Pittsburgh.

The Jewish Community Foundation was established to assist men and women who want to make a lasting charitable act to benefit the Jewish community.

Below is a sampling of ways in which funds in the Foundation are making an impact:

203 Jewish students from Pittsburgh received financial support this year for studying at an institution of higher learning. The Jewish Federation's **Central Scholarship and Loan Referral Service** is the largest college scholarship program of any Jewish community in the country and is administered by Jewish Family and Children's Service.

The Squirrel Hill Community Food Pantry, which provides crucial assistance to the food-insecure in Pittsburgh, has seen an 85% increase in the number of people turning to them for help in the last five years. The Pantry has food assistance programs along with supportive services to ensure that the needs of our community are met both in the short term and long term.

Lion of Judah Endowments, which consist of funds of \$100,000 or more that contribute \$5,000 or more to the Annual Campaign, and **Permanent Annual Campaign Endowments**, which consists of funds that contribute to the Annual Campaign in perpetuity, are the way you ensure that the changing needs of our community are met. By establishing LOJEs and PACes, donors guarantee that they'll continue to care for those in need and nurture and sustain the Jewish community now and for the future.

THE CENTENNIAL FUND FOR A JEWISH FUTURE

The challenge of passing along a strong Jewish identity and a love of Judaism to the next generation has become the most important concern on the agenda of the American Jewish community.

By ensuring that Pittsburgh's youth have opportunities for Israel travel, Jewish camping, and Jewish education, the Centennial Fund for a Jewish Future (CFJF) is transforming our community into one in which learning, participation, and strong identity is the rule rather than the exception.

CFJF impacts Jewish life in Pittsburgh in real and significant ways:

For those who have never been to Jewish summer camp, the **One Happy Camper** program, underwritten by the Papernick Family Foundation, offers grants of \$1,000 to first-time campers. Summers at Jewish overnight camp turn Jewish youth into spirited and engaged Jewish adults and lay the groundwork for strong Jewish communities.

The **Jewish Early Childhood Education Initiative** works directly with early childhood professionals to increase the number of families sending their children to high quality Jewish preschools and to

inspire them to become involved in Jewish life both during and long after the school experience has ended.

The **Stanley (z"l) and Flo Mae Moravitz Israel Scholarship Endowment Fund** offers need-based scholarships to enable local teens and young adults to travel to Israel on accredited programs.

FOUNDERS OF THE CENTENNIAL FUND FOR A JEWISH FUTURE

The Founders of the Centennial Fund have facilitated immediate and ongoing funding for these critical programs designed to keep our community connected to its rich Jewish heritage and traditions. Thank you to those generous fundholders who have donated \$250,000 and above to support this campaign.

SUPPORTING FOUNDATIONS

A supporting foundation is a separate non-profit charitable fund which operates as a supporting foundation to the Federation and qualifies as a public charity. This type of fund offers the donor a continuing role in the operation of the charitable fund.

Meyer & Merle Berger Family Foundation Inc.
 The Edward & Rose Berman Legacy Foundation
 Jack G. Buncher Charitable Fund

PHILANTHROPIC FUNDS

To establish a fund, the donor makes an irrevocable lifetime gift of cash or appreciated property, for which the donor receives the maximum tax deduction for charitable contributions. In turn, the donor may make non-binding recommendations for distribution of the fund's income and/or principal to sectarian or non-sectarian organizations approved by the Foundation and designated as appropriate recipients of charitable funds by the IRS. A contribution of \$5,000 is suggested to establish a fund.

SUPPLEMENTAL GIVING HONOR ROLL

While maintaining the primacy of the Annual Campaign and focus on increasing the Federation endowment, the Federation also continues to develop its supplemental giving program. Supplemental giving is defined as donors contributing a significant financial commitment above and beyond their commitment to the Federation Annual Campaign.

Below we recognize donors who have made a minimum supplemental gift of \$10,000 and are currently donors to the Centennial Year Annual Campaign. The donors are listed based on the community priority area on which their commitment has had an impact.

CORPORATE DONORS AND SUPPORTERS

Corporate sponsorship dollars help offset costs of programs so that funds raised by the Federation can support much-needed social services in and around the community including efforts that feed the hungry, shelter and care for the elderly, counsel at-risk teens and families in crisis, and assist the unemployed.

Contributing to the Federation enables corporate donors to reach one of the most educated, influential and sophisticated consumer markets. It allows companies to enjoy visibility and exposure to donors via multimedia marketing and event-related benefits.

We are proud to recognize and thank the following corporate contributors. This list includes corporate donors that contributed \$1,000 or more and have permitted us to use their names.

VOLUNTEER CENTER

BUILDING A STRONG, VIBRANT, JEWISH COMMUNITY

234 MCKEE PLACE, PITTSBURGH, PA 15213 | 412.992.5209 | jfedvolunteer.org

THE JEWISH FEDERATION OF GREATER PITTSBURGH'S VOLUNTEER CENTER CREATES MEANINGFUL OPPORTUNITIES THAT CONNECT VOLUNTEERS TO THE ORGANIZATIONS AND PEOPLE THAT NEED THEM. BECAUSE AN ENGAGED JEWISH COMMUNITY IS SHAPED BY A CULTURE OF VOLUNTEERISM, GUIDED BY JEWISH VALUES.

WHETHER YOU LOVE PLAYING WITH CHILDREN OR TEACHING ADULTS... WHETHER YOU WANT TO WORK OUTSIDE OR BRIGHTEN THE DAY OF SOMEONE WHO CAN'T GO OUT... WHETHER YOU ARE TRAINED TO WORK WITH SENIORS OR TRAINED AS A CARPENTER - OR IF YOU WANT TO DO ANYTHING BUT WHAT YOU'RE TRAINED FOR... THE VOLUNTEER CENTER CAN MAKE IT HAPPEN.

IF YOU HAVE EVEN ONE HOUR OF TIME TO VOLUNTEER PER YEAR, MONTH, WEEK, OR DAY, YOU CAN MAKE A DIFFERENCE IN SOMEONE'S LIFE - AND YOUR OWN.
